“

“Painting classes have been beneficial for me in several ways. Not only helped me with anxiety and mental health after Covid but also to improve my English which is not my mother tongue. And coming to classes allowed me to meet people and be able to share and talk”

Vanessa, PFF participant

“I was feeling isolated and lacking in motivation, joining the group gave me the routine and social contact I needed to get going again.”
Painting For Fun participant

Painting for Fun

“This has awakened green fingers in me, widened my circle of friends and allowed our community to bloom together.”
Shieldfield Grower

community

“What a great exhibition - beautiful, surprising and thought provoking in equal measure. Important stuff!” Exhibition visitor

Craft Action is “genuinely invested in the positive outcomes of combining craft with informative discussions around issues.”
Craft Action participant

“Being part of this has given me a sense of belonging... like an adopted family. It's made me aware that everyone has something to contribute.”
